

**Michael Pollan**  
*Curriculum vitae*

Current Affiliation

Contributing writer, <i>New York Times Magazine</i>	1995-present
James S. And John L. Knight Professor of Journalism University of California, Berkeley, School of Journalism	2003-present
Professor of the Practice of Non-Fiction and Lewis K. Chan Arts Lecturer Harvard University	2017-present

Education

Bennington College, Bennington, VT (Bachelor's)	1977
Mansfield College, Oxford University	1975
Columbia University (Masters, English; President's Fellowship)	1981

Journalism Experience

<i>Vineyard Gazette</i> (Reporter)	1973
<i>Village Voice</i> (Assistant Editor, summers)	1974-76
<i>Politicks &amp; Other Human Interests</i> (Assistant Editor)	1977-78
Gateway Productions	1978
Associate Producer on "A House Divided," a nationally syndicated documentary about the House of Representatives post-1974.	
WOR-TV	1980
Associate Producer, "Straight Talk," a daily public affairs talk show.	
<i>Channels Magazine</i> (Senior Editor)	1981-83
Wrote and edited articles on FCC policy, technology, and network programming for a non-profit magazine, published by the Markle Foundation, covering the telecommunications industry revolution.	
<i>Harper's Magazine</i> (Executive Editor)	1983-1994
Hired by Lewis Lapham to help re-format and re-launch the magazine in March 1984. Started as Senior Editor responsible for design of the Index and Readings sections. Promoted in 1985 to Executive Editor, responsible for day-to-day management of the editorial staff and budget, editing of departments, and regular commissioning and editing of feature articles. <i>Harper's</i> won six National Magazine Awards during my tenure.	
<i>New York Times Magazine</i> (Contributing Editor and Writer)	1998-99

Member of the team that edited the *Magazine's* six special issues marking the millennium. Responsible for editing issues three (Adventure) and six (the Times Capsule). Conceived and oversaw development and design of a time capsule that became the basis for the final issue of the series. The Times Capsule, designed by Santiago Calatrava, is now permanently installed at the Museum of Natural History in New York; the issue about its making was the most successful in the magazine's history.

<i>New York Times Magazine</i> (Contributing Writer)	1995-present
<i>Harper's Magazine</i> (Contributing Editor)	1995-2003
Modern Library Garden Series (Series Editor)	2001-06

### Publications: Books

<i>Second Nature: A Gardener's Education</i> (Atlantic Monthly Press)	1991
Recipient of the QPB New Vision Award; VLS bestseller; published also in England, Japan, Holland. Named one of the 75 best gardening books of the century by the American Horticultural Society; the book is taught in many environmental studies and history courses.
